What’s on the plate?

Name

Date

2019 plate: ½ vegetables and fruits · ¼ whole grains · ¼ protein. Water to drink.

Food	Veg/fruit, whole grain, protein, water, or other

How close to half / quarter / quarter?

Close

Partly

Not yet

Plate B — one realistic change (not a fantasy chef meal)

Exit ticket — Why did Canada switch from a rainbow of servings to a plate of proportions?

Fuel, fluids, and factors

Name	Date
This...	Main job in the body (your words)
Vegetables and fruits	
Whole grain foods	
Protein foods	
Water	

One personal factor that changes needs

High-activity day vs low-activity day — food or water

Exit ticket — To what extent does nutrition contribute to well-being? Two sentences, one example.

Heart, gut, and a snack

Name

Date

System	What it does	A habit that supports it
Digestive		
Cardiovascular (heart and blood)		
Snack	Helps digestion?	Helps the heart over time?
Apple + handful of nuts		
Large sugary drink + chips most days after school		

Exit ticket — Why does water show up on both lists?

Frame and systems

Name _____ Date _____

System	What it needs (food / water / habit)	One example I could actually eat or do
Muscles		
Bones		
Reproductive system (maturing)		

One iron-rich food (meat, beans, lentils, fortified cereal, greens) I know

Exit ticket — Why do we talk about nourishing a maturing body, not about shrinking a body, in Grade 5?

Food, culture, and respect

Name

Date

Optional: one food practice from my family or community (you may write “private”)

One First Nations, Métis, or Inuit food teaching I can state respectfully (from class, not from a joke or a movie)

How can traditional foods sit beside the Food Guide plate instead of being ranked as “less healthy”?

Exit ticket — What is the difference between respecting a food practice and copying it as a costume?

Balance check

Name _____ Date _____

Meal	Close / partly / not yet	One realistic change
Stew with carrots, barley, beans + water	_____	_____
Granola bar + sugary drink on a rushed morning	_____	_____

A meal I actually eat — how close, and one change I control

Name two body systems a balanced pattern supports, in your words

Exit ticket — To what extent does nutrition contribute to health and well-being? Claim + example + one limit.
