

Financial Literacy

Student worksheets · Weeks 31–36

NAME _____ CLASS _____

Two letter pages per worksheet · Mr. Fung · EIPS

31 1. Need or want?

32 2. Two goals, one saving plan

33 3. A simple budget

34 4. What is pulling on this choice?

35 5. Four jobs for money (and time)

36 6. My Grade 5 financial plan

Need or want?

Financial Literacy · What money is for

NAME _____ DATE _____

Look at the picture. What is happening, and how does it connect to today's lesson?

1.

Item	Need, want, or depends?	Why
Lunch for school		
Limited-edition cards		
Helmet for biking		
Brand-name hoodie		
Phone charger		
Movie snacks		

2. One need in my life

3. One want I can wait for

EXIT TICKET Why does mixing up needs and wants make planning harder?

Two goals, one saving plan

Financial Literacy · Short-term and long-term

NAME _____ DATE _____

Look at the picture. What is happening, and how does it connect to today's lesson?

1.

	Short-term goal	Long-term goal
What I would save for		
About how much (\$)		
How many weeks		
Money to set aside each week		

2. One want I would pause to hit the short-term goal

EXIT TICKET How can a short-term save (habit) help a long-term goal?

A simple budget

Financial Literacy · Income, expenses, leftover

NAME _____ DATE _____

Look at the picture. What is happening, and how does it connect to today's lesson?

Sample: You have \$30 for a month of "fun + save." Goal: \$12 saved for a class t-shirt. Needs (bus/snack fund) \$10. How much is left for wants?

1.

Budget part	Amount (\$)	Need, want, save, or donate?
Money I have or will get		
Need 1		
Want 1		
Save		
Donate (optional)		

2. Does it balance (in = out + save)?

☐ Yes

☐ Not yet — I would change a want

EXIT TICKET What is a budget, in one sentence?

What is pulling on this choice?

Financial Literacy · Ads, friends, price, quality

NAME _____

DATE _____

Look at the picture. What is happening, and how does it connect to today's lesson?

1. One item (sample is fine — do not name what a classmate owns)

2. Influences I notice (check all that apply)

- ☐ Advertising / “limited time”
- ☐ Friends or belonging
- ☐ Price (it seems cheap or it seems expensive)
- ☐ Quality / how long it lasts
- ☐ Packaging or being at checkout
- ☐ Feeling (bored, stressed, left out)

3. Is this a need, a want, or a want dressed up as a need? Why?

4. My plan

- ☐ Buy now (needs covered, in the budget) ☐ Wait one week ☐ Skip

EXIT TICKET Why does noticing an influence help a financial goal?

Four jobs for money (and time)

Financial Literacy · Four money jobs

NAME _____

DATE _____

Look at the picture. What is happening, and how does it connect to today's lesson?

1.

Job	What this looks like this month (sample dollars are fine)
Earn	
Spend (need)	
Spend (want, if any)	
Save	
Donate (money or time)	

2. How does this plan support one financial goal I named in Week 32 or 33?

EXIT TICKET Why can donating time count in a financial-literacy plan in Grade 5?

My Grade 5 financial plan

Financial Literacy · Unit wrap

NAME _____ DATE _____

Look at the picture. What is happening, and how does it connect to today's lesson?

1. One need I will cover first

2. One want I can wait for (or plan for)

3. One goal: what, about how much, how many weeks, weekly save

4. A tiny budget that balances (in = needs + wants + save + donate)

5. One influence I will notice before I buy

EXIT TICKET How does planning support a financial goal — in one sentence?
