NAME _____ DATE _____

Look at the picture. What is happening, and how does it connect to today's lesson?

1.

Situation	Who could be affected?	Responsible next step
You forward a screenshot of a classmate's private message.		
You sit at the nut-aware table with a granola bar.		
You said you would walk a younger buddy home, then went to the park.		

2. One real choice I made this month (small is fine) and who it affected

EXIT TICKET Responsibility includes accepting results. What does that mean in your own words?

Law, rule, practice, protocol

Safety · Why the structures exist

NAME _____

DATE _____

Look at the picture. What is happening, and how does it connect to today's lesson?

Label: L = law, R = school rule, P = practice, O = protocol.

1.

Example	L / R / P / O	Who does it protect?
Fire drill: silent line, attendance, wait for all-clear		
Wear a seatbelt		
Phones in lockers during class		
Wash hands before eating		
Lockdown: lights off, out of sight, silent, wait for officials		

2. One protocol we use — steps in order

EXIT TICKET What goes wrong if only some people follow a protocol?

Personal safety card

Safety · Safe, unsafe, uncomfortable

NAME _____ DATE _____

Look at the picture. What is happening, and how does it connect to today's lesson?

1.

Name / role	When I could find them

2. An uncomfortable (not unsafe) situation

3. If I am not sure it is unsafe, I will

(EXIT TICKET) Why is “keep this special secret” a warning sign when a body or safety boundary is involved?

Looking after the group

Safety · Looking after more than yourself

NAME _____ DATE _____

Look at the picture. What is happening, and how does it connect to today's lesson?

1.

Situation	Who is affected?	Responsible leader move
Your bus partner is not on the bus and the driver is closing the door.		
A group chat is forwarding a photo of a classmate who did not agree.		
Someone dares the group to sneak past the nut-aware table with snacks.		

2. One move that would make any of these worse (and why you will not do it)

(EXIT TICKET) How is safety leadership different from being the boss?

Share / ask / never

Safety · Digital citizenship

NAME _____

DATE _____
