My volunteer map

Name _____ Date _____

Volunteering = giving **time, talent, or energy** to help people or community.

1. One skill or strength I already have:

2. Who or what could that help? (school, family, community, land, animals)

3. Fill one realistic Grade 5 volunteer idea.

What I would do	Time, talent, or energy?	Who benefits

4. One thing that might get in the way (transport, shyness, time) and one way around it:

Exit ticket

In one sentence: How could volunteering support your well-being or someone else's?

Experience map (private)

Name _____ Date _____

Use school-appropriate examples. You do not have to write about anything painful. Everyday experiences count.

1. One experience that taught me a skill:

The experience	Skill or strength it built

2. One experience that shaped a preference (how I like to learn, play, or rest):

3. How might that experience change the way I respond when something similar happens again?

4. Optional to share with a partner: one sentence I am willing to say out loud.

Exit ticket

Finish: Life experiences can shape our understanding because _____.

Perseverance plan (one hard thing)

Name _____ Date _____

Pick **one** hard thing you are actually facing (school-appropriate).

The hard thing:

Support	What this could look like for me this week
Effort	
Courage	
Commitment (including rest)	
Belief I can improve	

One person or tool that could help (not “try harder”):

Exit ticket

How could perseverance on this thing support your well-being? (mood, confidence, health, belonging)

Skill-to-contribution match

Name _____ Date _____

A skill or knowledge I have	A community need it could help	School or community idea

My realistic try this month (one idea, with when and who I would ask):

How this links to perseverance (what might be awkward at first):

Exit ticket

Complete: I can contribute by _____ because I _____.

My protective factors

Name _____ Date _____

Type	One factor I have or could use	How it helps perseverance
People		
Habits		
Places		
Tools		

The hard thing I am applying this to:

Which **one** factor will I actually use in the next seven days?

Exit ticket

Why is “just try harder” weaker than using a protective factor?

Character Development reflection

Name _____ Date _____

1. One life experience (school-appropriate) and what it taught me:

2. How that experience connects to perseverance for me:

3. One protective factor I will keep using:

4. One way I could contribute time, talent, or energy this year:

Exit ticket

How can perseverance support well-being — for you or for a group?
